BEAUTIFUL SEATING FOR EVERY SETTING

Outdoor Furniture

Beaufurn's outdoor furniture will enhance any outdoor environment. All of our outdoor furnishings are constructed of high-quality, durable weather-resistant materials, making them ideal for use in outdoor restaurants, cafés, hotel pool areas and universities. Our chairs are second to none when it comes to functionality, quality and style. You can rest assured our outdoor furniture is durable and resistant to the elements. From modular lounge seating, to umbrellas or dining chairs and tables, Beaufurn's line of outdoor furniture is available in a multitude of styles and colors, and will complement any outdoor setting.

Weather Resistant

Our outdoor furnishings are constructed of high-quality, weather resistant materials, such as 12 gauge aluminum, galvanized steel, commercial grade polyamide and injection molded polypropylene.

Great Design

Our large assortment of outdoor chairs, barstools and tables are stylish, durable and comfortable. Resilient as well as beautiful, Beaufurn's line of outdoor furniture will enhance any outdoor setting.

Easy to Maintain

Not only do Beaufurn's outdoor furnishings look great, but they are functional as well. They are resistant to fading and mildew, which makes them perfect for a variety of outdoor settings. Many of the chairs stack for convenience and they're easy-to-clean!

At Beaufurn, our mission is to provide high quality commercial furniture that is environmentally responsible and will fit a variety of budgets, projects and design needs. To support our mission, we have located our factory in the triad of North Carolina, the heart of U.S.A. furniture manufacturing. We incorporate sustainable practices company-wide and utilize eco-friendly materials in the production of our products.

MIAMI COLLECTION

MODULAR
LOUNGE
SEATING

The Miami Collection is made of the highest quality materials, heavy gauge tubular frame and treated with outdoor powdercoating. Miami pieces include plush, full outdoor cushions upholstered in durable solution-dyed acrylic fabrics available in several colors to fit your design needs. The Miami Lounge collection offers modular seating options to gather in configurations for more personal, intimate settings, or to separate as distancing might demand.
Metal finishes available in white, ivory, ancient grey, taupe and bronze. Fabric options include taupe, grey, blue, mint, red, black, white and ecru.¶

P6 UMBRELLAS

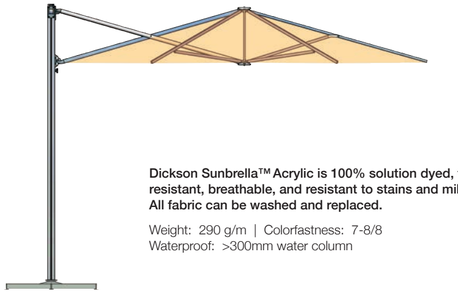
VERSATILE
WITH VARIOUS
CONFIGURATIONS

Unlike single pole umbrellas, the bases of our cantilevered umbrellas are offset from the umbrella itself, allowing the canopy to open to the side. This provides more space underneath the umbrella for seating and shade enjoyment. Our line of cantilever umbrellas features an umbrella for every specification. The P6 Umbrella is available in several sizes, shapes and configurations, making it our most customizable umbrella collection.
Frame available in grey, white and black. Fabric options include natural white, lead grey, olive green, night blue, bitter orange, white sand, buttercup, paris red, carbon grey, terra cotta, taupe and black widow.¶

Mounting*
Up to 4 heaters can be mounted on one pole.

Lights
LEDs can be installed in the center of the umbrella.

Rain Gutters
Rain gutters with zippers can easily connect several parasols.



Dickson Sunbrella™ Acrylic is 100% solution dyed, fade resistant, breathable, and resistant to stains and mildew. All fabric can be washed and replaced.

Weight: 290 g/m | Colorfastness: 7-8/8
Waterproof: >300mm water column
